PERSONAL & PROFESSIONAL PROFILE

I am a software developer with a working experience of about 5years who has undergone a high level of professionalism with a core value of building remarkable, outstanding, quality, and excellent web solution. This software is made with neat, readable code implementation using a range of different recent technologies in order to deliver quality web software.

I find it a challenge to continue my learning as a programmer or anything related to computer where I will get an opportunity to use all my skills, my knowledge, relating with people and also where I will get an opportunity to improve my skills and knowledge.
